Those who desire to use our columns that day will please send in their favors as early as possible. The paper will go to press at noon Monday.

Get your Easter eggs ready.

The circuit court docket is a light one, much to the disgust of the lawyers.

BURGESS & NOLIN are displaying a line of very handsome and cheap dress goods.

AUGUSTA has no drinking saloons and liquor is not sold at any of the drug stores there.

We notice that several parties are busily engaged in making a collection of the various fossils in the vicinity of this city for the Public Library.

LEWIS WELLS, colored, for robbing Rogers & Bostain's store at Carlisle, was convicted by the Nicholas Circuit Court and sent to the penitentiary for one year.

A. B. GREENWOOD & SONS have just finished some very fine painting at the residences of Mrs. E. Barr, R. F. Means and W. H. Wallingford, in East Maysville.

To-morrow is Good Friday, a day sacred to the commemoration of Christ's sufferings. It has been observed from the first age of Christianity as a day of fasting and humiliation.

As an inducement for the removal of the State Capital to Maysville, we venture to say the city will give the old market house and the county the old jail building. We can spare both.

Rev. M. W. Jamison, colored, who has had charge of a church at Harrodsburg, Ky., has been appointed pastor of the colored M. E. Church, at Washington. He is a native of that place but has been absent for about five years.

TRACK layers finished putting down steel rails last Sunday, on that part of the Kentucky Central Railroad running through Paris. The rails are thirty feet long and weigh six hundred pounds. They are to be laid from Paris to Covington immediately.

The colored population of Lexington is aroused over a case of body-snatching. A young colored woman of Lancaster, took the remains of her mother there during the winter and they were placed in a vault. The other day when she went to have the body buried, the opening of the vault disclosed that the remains had disappeared.

## Company Election.

In obedience to orders from the Commander-in-Chief of the Kentucky State Guard, an election was held last night by the Maysville Company at their Armory to fill the vacancy caused by the resignation of the commissioned officers of the command. Mr. Robert A. Cochran, Jr., was chosen Captain, Mr. J. H. Sallee, 1st Lieutenant and Mr. C. D. Newell, 2nd Lieutenant. The ballots were as follows:

## Musical and Literary Entertainment at the Court House.

At the solicitation of a number of our citizens Mrs. Lou Ross has consented to favor Maysville with a musical and literary entertainment and has named the court house as the place, and Friday evening of next week as the time. With the genius of Mrs. Ross, many of our people are acquainted; her readings have always afforded first-class entertainment. One of the ablest musical quartets in the city will make the occasion vocal with delicious harmony. Miss Nolin, the accomplished pianist, will be the accompanist, and that little gem of declamation, Rosa Anderson, who has consented to take a part, will add much to the pleasure of the evening. Maysville should give Mrs. Ross a rousing big house.

## Unfortunate Affair.

An unfortunate affair between two of our well-known citizens, Mr. Charles H. White and Dr. John A. Mitchell, occurred yesterday afternoon, on Market street, and resulted in the latter receiving a cut in the neck from a pocket knife. We are not fully informed as to the merits of the difficulty, and as the responsibility for the affair can only be fixed after a legal investigation has been had, we give merely an outline of the occurrence. The parties have been notified to appear before the Mayor next Monday. It is an affair that is much regretted by the friends of both gentlemen.

## Farm For Sale.

THE champion eater of Nicholas county is thus spoken of by the Mercury: Mr. M. A. Barlow, of this county, stepped into the restaurant of H. A. **A Sure Cure Found at Last—No One Need Suffer!**

A sure cure for blind, bleeding, itching and ulcerated piles has been discovered by Dr. Williams' (an Indian remedy,) called Dr. Williams' Indian Ointment. A single box has cured the worst chronic cases of twenty-five or thirty years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotionous instruments and electrics do more harm than good. Williams' Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed,) acts as a poultice, gives instant and painless relief, and is prepared only for piles, itching of the private parts, and nothing else.

Read what the Hon. J. M. Coffinberry, of Cleveland, says about Dr. Williams' Pile Ointment: I have used scores of pile cures, and it affords me pleasure to say that I have never found anything which gave me such immediate and permanent relief as Dr. Williams' Indian Ointment.

## Dr. Frazier's Root Bitters.

Frazier's Root Bitters are not a dram-shop whisky beverage, but are strictly medicinal in every sense. They act strongly upon the liver and kidneys, keep the bowels open and regular, make the weak strong, head the lungs, build up the nerves and cleanse the blood and system of every impurity.

For dizziness, rush of blood to the head, tending to apoplexy, dyspepsia, fever and ague, dropsy, pimples and blotches, scrofulous humors and sores, tetter, ring worm, white swelling, erysipelas, sore eyes and for young men suffering from weakness or debility caused from imprudence, and to females in delicate health, Frazier's Root Bitters are especially recommended.

Dr. Frazier: I have used two bottles of your Root Bitters for dyspepsia, dizziness, weakness and kidney disease, and they did me more good than the doctors and all the medicine I ever used. From the first dose I took I began to mend, and I am now in perfect health, and feel as well as I ever did. I consider your medicine one of the greatest blessings.
